

Heritage Design Consultant
Storefront Façade Improvement Program
2012

Merchants and Building owners take note

- Not sure how to improve your façade?
- Having difficulty choosing paint colours and architectural elements that would best suit your building?
- Let's get you started with a sketch.
- You can engage the services of a Heritage Design Consultant to produce a sketch of your building showing the potential improvements.
- The grant program will cover 80% of the design costs to a maximum of \$400.00.

And if you like what you see?

- You have the option to proceed.
- Apply for additional grant money through the Storefront Façade program to a maximum of \$5000.00 per award with matched funds in place by the applicant.

Please contact the BIA 613-257-8049 or cmcormond@carletonplace.ca for more information about this special addition to the Storefront Façade Improvement Program.
